From the Principal Dr (Mrs) Vandana Lulla

Podar is an academic institution where the needs of students and their aspirations are fulfilled. This is a proud moment for me as the Director/Principal of Podar International School. I applaud the efforts of my students, my efficient teachers and parents for their persistent hard work and dedicated efforts in keeping the Podar flag flying high.

The world toppers in India will be recognized for their outstanding academic achievements with an Outstanding Cambridge Learner certificate.

**Ruchira Ghosh, Regional Director for South Asia, Cambridge International Examinations** said, *“It gives us immense pleasure to see learners across India successfully exhibit their passion to succeed. Their outstanding results in the Cambridge Examinations are a proof of the dedication and commitment of their teachers and the constant support from their family and friends that helped them achieve this. We congratulate all these learners on their performance this year and wish them every success in all their future endeavours.”*

There has been a substantial increase in the popularity of Cambridge qualifications in India and around the world. There are over 370 Cambridge schools in India. There has been a 17 per cent increase in the number of entries for all qualifications in India since 2015, which includes the Cambridge IGCSE, Cambridge International AS Level and Cambridge International A Level. The most popular Cambridge IGCSE subjects in India are: First Language English, Mathematics, Hindi as a Second Language, Physics and Chemistry.
