Podar Sustainable Development UN Goals Exhibition

Dear Parents,

Greetings from Podar International School! As part of our school philosophy in helping our students become active and responsible world citizens, Podar International School initiates many projects during the course of the year, which seek students' direct involvement, within the classroom and outside.

In accordance with the Declaration of the United Nations and its 2030 Agenda for Sustainable Development "We the Podarites" have decided once again to champion the cause of transforming our world!

Students of Podar International School will work collaboratively to help realize the goals such as poverty eradication, health, Industry, innovation and infrastructure, food and nutrition, sanitation, deal with with energy crisis and resolve to protect the planet from degradation so that our children and all human beings can enjoy prosperous, fulfilling lives and live in harmony with nature free from fear and violence and inherit a peaceful prosperous planet.

As adults who are stakeholders in this initiative, we request you, dear parents, to demonstrate commitment and solidarity to this mammoth task and help our students shape the future they want.

We invite you to participate in the journey along with us towards 2030.

Date – Thursday 31st Jan, 2019

Time – 5.00 pm - 7:30pm

Venue – Podar Sports Ground, Linking Road, Santacruz (West), Mumbai 54.

Reporting time for students – 4.00 pm

Regards,

Dr. Vandana Lulla
Director/Principal
