Dear Students & Parents,

Circula: PIS_TOI_Makebot_World Codingbee Championship

Podar International School invites you to the **World Codingbee Championship in partnership with The Times of India.**

Participation in the Championship is **OPTIONAL.**

"CODINGBEE: India's Coding Heroes" powered by Makebot and Knowledge Partner Singhania Quest+, the online coding championship. Codingbee platform offers a **free registration and free learning material to all students** from **Grade 3rd to 12th** in various languages such as Scratch, Python, HTML CSS, JAVASCRIPT, Artificial Intelligence, & Machine Learning.

The Idea behind the competition is to fuel innovation in every child and expose them towards new age learning through technology & coding. Students can learn, innovate & become inspiration for many others like them by showing their skills.

Benefits for Students-

1. Visit the website [World codingbee season 2.](#)
2. Click here to Register: (<https://timesofindia.indiatimes.com/codingbee#student-registration>)
3. Free study material and recorded sessions.
4. Mentorship program/ Guidance from trainers through the Codingbee journey.
5. Participation certificate to all students.
6. Team learning- coordination, collaboration, critical thinking and communication skills
7. Team gets a chance to take the center stage on Television for the finale.

Last date of registration: Thursday, 28th October 2021

It is a journey that includes learning, Competition, and lots of exposure. Requesting you to go through the document attached below for this program and confirm your accord.

After registration, please inform the following teacher's in-charge for further guidance.

- (i) Mr. Akshay Rameshwar (8767499881) - akshay.rameshwar@podarinternationalschool.com
- (ii) Mr. Dinesh Patle (9594751579) - dinesh.patle@podarinternationalschool.com

Looking forward to your participation.

Regards,

Dr. Vandana Lulla
Director/Principal
