Circular-Grade 9 Term Exam Timetable 2022-2023

Dear Parents,

Greetings from Podar!

We hope you are well and safe. We are happy that students have settled into their routine and have participated in Fathers Day, Mothers Day, Multilingual day to name a few. We are proud of their achievements and enthusiasm, as it is not winning, but participating that matters the most. We had two rounds of formative assessments, which assessed students on various skills.

The first summative assessment, i.e. the term examination, marks the culmination of the first term. The Term Examinations for the academic year 2022-23 begin on 24th August, 2022. Please find pasted below the Term Exam Time Table.
