Dear Parents,

We are thrilled to extend a warm invitation to you all from our PYP 5 students for their upcoming PYPX- PYP Exhibition 2024!

The Exhibition marks the culmination of their journey through the Primary Years Programme and stands as a testament to their growth and learning. Your children have poured their heart and soul into this project, and we can assure you they are eager to showcase their hard work to you!

Under the transdisciplinary theme, "How We Express Ourselves," our students have embarked on a collaborative journey to investigate the enduring art forms of India. Their goal is to demonstrate how cultural expressions reflect the rich diversity of human experiences.

You'll be captivated by the array of artistic traditions on display, ranging from the intricate Pattachitra paintings of Odisha to the earthy terracotta sculptures and the mesmerizing Warli paintings of Maharashtra.

But that's not all! Prepare to be enthralled by live performances featuring Kalraipayattu, Ghata Patua, and soul-stirring melodies from the lands of Bengal.

Following the Exhibition, we have planned an orientation session, where Grade 5 students transitioning to Grade 6 will be introduced to Grade 6 Curriculum. And to conclude the day on a celebratory note, we invite you to join us for the PYP Graduation Ceremony.
